Health • Delicacy • Beauty

Water Ionizer JA-103

The world's best selling water ionizer, even though it has been on the market for only two years.

- Four levels of alkaline water
- Two levels of acid water, including super-oxide
- Filter water (non-ionized) - by Silver Coated Activated Carbon Filter
- Stainless steel output spout
- Built-in auto-flushing electrode
- Unique post-operation automatic and silent cleansing for extended lifespan
- Voice confirmation every time you select a different pH level
- Filter change required indicator
- Easy 1-minute change filter compartment
- Optional ability to connect direct to plumbing and operate under mains pressure

© PUREPRO USA CORP., ILLINOIS, U.S.A.

Water Ionizer JA-303

The revolutionary PurePro Water Ionizer was designed for the world market. PurePro Water Ionizer is now sold in the USA, Canada, Australia, New Zealand, Asia and Europe. PurePro offers you the very best in quality at an unbeatable price.

Quality Water for Quality Life

The world's best selling water ionizer is PurePro Water Ionizer. It comes with the Large 5-plate polymer ion-plated platinum coated titanium ionizing plates (est. life 20 yrs, latest Japanese University technology). It produces an Ionized Water of about 10.0 pH or higher, depending on your water source. Regarding quality and ionization strength, the PurePro Water Ionizer is comparable to any other water ionizer on the market.

© PUREPRO USA CORP., ILLINOIS, U.S.A.

A simple user interface with 45 degree angle is designed for easy access.

Innovated cup storage designed facing the top for easy access.

The large dispenser space fit nicely for the commonly-used tall mug or glass.

JUMBO HOUSINGS

Whole of House Filters

Jumbo filters remove chlorine and other chemical tastes, odors plus dirt, sediments, making water cleaner, clearer, and safer for your whole house. In addition, they also protect your appliances, fixtures and pipelines. Our jumbo filters are usually placed in the main water line entering the home and generally have capacities to filter 10,000 - 100,000 gallons of water before you have to change the cartridge.

- Heavy duty "Jumbo" housing with pressure relief valve
- NSF certified materials
- NO backwashing or media regeneration required
- Relatively long filter life - cost effective long-term operation
- Simple installation
- High flow design and extremely low pressure drop
- Easy to replace filters - handy spanner wrench included with all systems
