WELCOME TO THE WORLD OF LANKATILES!

Established in 1977, LANKATILES is Sri Lanka's premier tile manufacturer.

We specialize in manufacturing and retailing ceramic and porcelain floor and wall tiles, supplementary tiling products, sanitaryware and accessories and other home improvement and interior design products. Due to our high-quality standards, that exceed global criteria, we have earned a reputable position in the local and international markets. In fact, our products have been used in iconic global projects such as the **London Underground, Singapore's Changi Airport, Universal Studios Osaka, the Canadian Parliament Building, the Google Campus** and **Facebook's Head Office in India**, to name a few.

We offer a wide range of tile designs, sizes, and textures suitable for various applications, in both residential and commercial projects.

We are known for the beauty of our tiles, the innovations in our designs, and a total commitment to customer satisfaction.
