

Ecomax Waste Compactor

Oilmax

Heavy duty waste compactor for garbage management in Hotels / Malls / Hospitals / Housing Societies etc to comply with increased Garbage disposal issues.

Domestic waste like Empty Drums, Boxes/Cartons, Metal Cans, Plastic Bottles, Cardboard, Paper etc can be easily compacted to **smaller volumes for safe & efficient storage & disposal.**

Compacted waste (1/10th Of original volume) can be easily handled & weighed for better cost realization. They also reduce the size of trash and make it possible to stack more waste material in the same space, thereby reducing the number of hauling rounds. Compacting recyclable waste helps in saving lot of space in landfills & achieving better environment.

Salient Features :-

- ♦ Rugged Design with high **compaction force**
- ♦ Great reduction in Trash volume
- ♦ **Automatic** Hydraulic operation with Powerful stroke
- ♦ Safety interlock for door & Overload protection for motor
- ♦ Simpler operation and **easier to Install**
- ♦ Low Initial & operating costs with very little maintenance
- ♦ **Substantial Reduction** In waste handling costs
- ♦ Rapid compaction stroke with more compression output
- ♦ Heavy duty structure with fixed mounting arrangement
- ♦ Special Electroless Nickel Anti-Corrosion Coating for critical components

Application :-

Compactors are designed to use for all types of dry garbage.

Use *Oilmax*
Save Environment

One Time Installation, Lifelong Savings

Technical Specifications

| Parameters | MWC 150-4 | MWC 100-4 | MWC 60-2 |
|-------------------|------------------|------------------|------------------|
| Operation | Hydraulic | Hydraulic | Hydraulic |
| Compaction Power | 4 Ton | 4 Ton | 2 Ton |
| Compaction Volume | 150 Liters | 100 Liters | 60 Liters |
| Compaction Ratio | 6:1 | 6:1 | 6:1 |
| Compaction Cycle | 30 Seconds | 30 Seconds | 30 Seconds |
| Power Supply | 415V, 3 Phase | 440V, 3 Phase | 220V, 1 Phase |
| Weight | 400 Kg | 350 Kg | 240 Kg |
| Dimensions (mm) | 745 x 800 x 1715 | 660 x 730 x 1715 | 600 x 630 x 1460 |

Compacted Waste : Before & After

Note : Different capacity ratings & specifications can be provided as per customer requirement.
